

flo BY MOEN.

The smart home water security system

- Flo by Moen is a mainline water monitoring device for the home.
- The device monitors water, identifies leaks and alerts homeowners of these issues to protect the home.
- Real-time alerts through the smartphone app help inform homeowners on water usage on a daily, weekly and monthly basis.
- Features notifications for remote shutoff option for homeowner via mobile app and automatic shutoff if a catastrophic leak is detected in the home.
